### CAUGH HILL AGAIN WINNER

ZIMMER CRACK REDUCES PALMETTO PARK RECORD FOR SIX AND A HALF FURLONGS.

Kentuckians Make "Killing" with Flora Fina at Long Odds-Chilton King and Tarts Score as Odds-On Favorites.

Charleston, S. C., February 11.—The sturdy and consistent Caugh Hill again demonstrated his superior quality when he scored impressively in the feature race at Palmetto Park this afternoon over some crack opposition, to which he was conceding much weight. Samuel R. Meyer was his closest antagonist at the end and Republican was third. Caugh Hill was most highly esteemed in the betting by the rank and file, but some of those known as the smart set leaned towards Republican. The latter suffered interference due to slowness at the start, but it was not sufficient to have materially changed the result so far as the winner was concerned. Incidentally Caugh Hill reduced the track record for six and one-half furlougs to 1:20.

The "hard boot" brigade put a good one over in the fourth race when Flora Fina backed from 30 to 1 to half that figure, got up in the last strides to beat Towton Field. Flora Fina bad been showing promising private trials and the Kentucky delegation backed her in confident fashion.

Chilton King and Tarts, two prohibitive odds-on chibices, scored commandingly in their respective races, but the short prices forced the smaller fry among the bettors to play around them, so their victories were attended with profit to the ring.

The Bedwell success continued when Righteasy won the opening dash from the "good thing" Theresa Gill. The closing dash also provided a disappointment for the followers of favorites when Spindle, quoted at odds-on, succumbed to Supervisor. Threatening weather failed to have a deterring effect on the attendance. The track was in the bestendition it has been since the opening. The betting was surprisingly brisk and results again favored the layers.

Mrs. L. A. Livingston, whose horses have been at Patmetto Park since the meeting opened, is expected here within a few days. William Hayward, Jr., is in charge of the horses that Mrs. Livingston will race here and among them are some two-verrelds of promise. Talecarrier, a three-year-old eligible for the Palmetto Derby, is being care

for the Palmetto Derby, is being carefully prepared for that race and it is just possible that jockey Butwell will ride him in that important event.

Fred Lemaire, whose Beauclaire raced with much success on the metropolitan tracks, was an arrival this morning. He will remain for a few days before continuing his journey to Palm Beach.

Jockey Musgrave was fined \$25 by the stewards for crossing with John Furlong in the fourth race yesterday.

Hugh Penny has arranged to return to Norfolk tomorrow to look after the borses he left there in charge of former jockey Willie Dunn. He will probably dispose of the filly Wood Dove before the meeting here comes to a close. F. Schelke will look after Supervisor and Wood Dove after Mr. Penny departs.

General Manager John Hachmeister's list of stakes to be offered at Douglas Park and Latonia the coming spring was highly commended by the horsemen. The increase in the values for the various events has already resulted in several horsemen changing their plans and the coming summer will find some castern stables racing in Kentucky for the first time. The stake blanks for the Louisville Jockey Club's meeting arrived this morning and were distributed.

Hugh McCarren and his stable jockey, Homer Skirvin, have parted company, temporarily, at least. The former objected to Skirvin's belaboring one of his horses with the whip after a slow work-out and Skirvin left the barn.

The following work-outs took place this morning over the Palmetto Park course, which was in in proved and fast condition:

### TURKEY AFTER CANADIAN HALF-BREDS.

Breeding Bureau Unable at Present to Fill Order for Seven Thousand Cavalry Remounts.

Montreal, Que., February 11.—Grant Hugh Browne of New York, arrived here with an order from the Turkish government for 7,000 cavalry remounts to be delivered at once. Mr. Browne went to Turkey two months ago to arrange for the sale of some torpedo boat destroyers, and while there was commissioned to secure these horses. Returning to the United States on Thesday last, he found on inquiry that there were not enough remounts in that country to supply the American army requirements. In Montreal he interviewed Manager J. F. Ryan of the Canadian National Bureau of Breeding, which is producing half-breds in Canada by the free dis-

### FAST TIME RECORDS OVER ENGLISH COURSES

Timing races is not official in England. There the difference between horses is estimated in pounds instead of seconds. Such timing as is done is privately conducted. Whether it is accurately done as with us is a matter of guesswork, but generally it probably is. No monopoly of skill in the use of a stop watch exists and those time records published and accepted in England are to be deemed correct. When compared with our own records those of England are faster, but allowance has to be made for the fact that records there for a mile and less are over a straight course or courses with but one wide curving turn. Caiman's extraordinary mile at Lingfield was made over a straight course. The English time records at a mile and a half and two miles are notably better than those of the United States and are fine examples of high speed over long distances. Some of the most notable of English performances, from the time stand-point, are here shown:

tribution of thoroughbred sires. He offered a fair maximum price for 7,000 remounts, but his offer could not be accepted for two reasons: In the first place, the bureau crop is not old enough to be used for cavalry purposes, and the oldest of them will not be ready until 1914. In the second place it is an unwritten law of the bureau that Canada and England shall have first call on these remounts, and farmers and breeders will probably follow this advice of their own free will.

The war office takes the fair stand, that if Canada produces these remounts it will be up to England to get them, and if she does not get them it will be her own fault. Although such an order as the above cannot be filled in Canada at the present time, still, if the National Bureau is uninterrupted in its work, a consignment of like magnitude could easily be gathered in this country not later than 1915. Seven thousand cavalry remounts means about \$2,000,000, and in proof of the potential energy of the National Bureau it may be pointed out that if the work were sufficiently far advanced, Canadian farmers and breeders would get that amount of money within a space of twenty days.

"I am now going to try the Argentine Republic," said Mr. Browne before leaving for New York, "On account of the long shipment from Rio de Janeiro or Buenos Ayres, the margin of profit will only be about one-half what it would have been had I been able to get these horses to ship from the right way, and remount preeding should be a great and profitable work in this country in the near future."

### INCREASING VALUES IN FRENCH RACING.

In France the Societe d'Encouragement has issued its program for 1913. It covers thirty-seven days' racing, and includes 222 prizes, the added money totaling up \$693,600. The value of several races will be greatly increased, notably the Prix du Cadran, which is raised from \$6,000 to \$20,000. This is one of the most important long-distance races in the French "Calendar," and has been won in the past by great horses like Omnium II. Chambertin, Le Roj Soleil, Perth, La Camargo and Gouvernant, It will be run this year on May 1, at Longchamps, where the spring meeting commences on Sunday, April 6. The French Oaks (Prix de Diane) will be run at Clantilly on June 8, and the French Derby (Prix du Jockey Club) on June 15. The Grand Prix de Paris is sixed for June 29, and the Prix du Conseil Municipal for October 5.

The Jockey Club program includes twenty-six new prizes of great national value. These are entitled "Prix de Cavaleire," their value being nearly \$250,000. These races will be for horses which have received a "certificate of aptitude," declaring that they are likely to be of service to the army, and the state has the option of purchasing the winners. One of these races will be run at Longchamps, one at Chantilly and the twenty-four others in different parts of the country. These Prix de Cavalerie indicate another advance made by the racing authorities on behalf of the army, and should be a lesson to countries which are now lamenting a shortage of horses for the purpose of national defense.

"The program of the Steeplechase Society has also just been issued, and it contains a number of military races, \$60,000 being devoted to prizes of this description. The added money to be distributed by the Steeplechase Society during the present year is \$779,690. In the face of these figures no one can say that racing, both on the flat and over obstacles, is not flourishing in France. The president of the Steeplechase Society for the forthcoming season is again Prince Murat, and the stewards are M. A. Du Bos, Baron de Neuflize and Count R. de Clermont-Tonnerre. The principal members are the King of England, the King of Spain, Prince Pierre d'Arenberg, the Marquis de Bretenii, the Duc de Brissac, the Conte Jean de la Rochefoucaulal, M. Abeille, M. Maurice de Gleest, M. James Hennessy, M. Olry-Roederer, M. H. Ridgway and M. Jean Stern, The season opens Sunday, February 16.

### TRACK WORSE THAN EVER

JUAREZ COURSE IN HEAVIER CONDITION YES-TERDAY THAN AT ANY PREVIOUS TIME.

Only Tried and True Mud Runners Able to Negotiate the Deep Going-Horses Reach Finish in Exceedingly Tired Condition.

El Paso, Tex.. February 11.—The racing at Juarez this afternoon was over the heaviest and most holding track that has prevailed since racing was inaugurated in this section. The horses came to the finish in an exceedingly tired condition and only the stoutest kind of mud runners were able to make a showing.

Ada Doyle fell just after she finished in the third race and rolled over jockey Robbins. The softness of the track saved the rider from injury, as he was buried in the mud. He was simply stunned and his engagements for the day were canceled.

New badges have been issued calling for 105 days of racing, but it is probable that the meeting will come to a close three days earlier, making 102 days of racing, and bringing the meeting to an end on Sunday, March 16.

Jockey Burlingame was suspended by the stewards for five days for rough riding in the first race. He clearly bothered Mandadero, the favortic, on the far turn. Only two favorites rewarded the talent during the afternoon,

Bookmaker Frank Shaunon suspended operations for the second time during this meeting and Frank Gossett took his stand.

Dick Sutton, a veteran theatrical manager of Butte, Mont., and extensively interested in theatres throughout that state, was a visitor at the course this afternoon. He will remain for a week.

Judge Price returned to the stewards' stand today afternoon after the races:

### JAMESTOWN SPRING PROGRAM ARRANGED.

Four Stakes to Be Decided at Norfolk-Officials Selected-Horses Already at Track.

Norfolk, Va., February 11.—Manager Bob Levy of the Jamestown Jockey Club has announced four stakes to be run during the spring meeting, which is sanctioned by the Jockey Club, to commence April 10 and continue until April 17.

The four stakes are:

Norfolk Selling Stakes, value \$1,000, for three-year-olds and upward; one mile.

three-year-olds and upward; one mile and a sixteenth.

The book for the first seven days of the racing will be issued by Secretary Joseph McLennau about March 15, and, in addition to the stakes, there will be purses of the value of \$500 and upward in the other races.

There are already over 100 horses at the track preparing for the meeting. Albert Simons has sixteen head belonging to H. P. Whitney; William Martin has fifteen; E. Rathman, three; F. T. Miller, three; Hugh Penny, eight; William Redmond, three; W. V. Conran, ten; C. T. Gilbert, seven, and A. G. Weston, twelve.

Superintendent George T. Miller has kept the track in perfect condition all winter and, favored by the mild weather, all of the horses that are now here are doing exceptionally well.

F. J. Bryan and Joseph A. Murphy; starter, Mars Cassidy; secretary, Joseph McLeunan; judges, Ed. Cole and F. W. Gerhardy; clerk of the scales, H. P. Conkling; paddock judge, Harry White.

All applications for stalks, entry blanks for stakes, etc., should be made to Bob Levy, care Monticello NOTES OF THE TURE.

### NOTES OF THE TURE.

All hotels in Charleston, for the first time since the Palmetto Park meeting began, are crowded to their capacity I am beginning to think that the handicappers may be quite right in being so easy with these Americans. Wadsworth Rogers' Feo, ridden by jockey Seignouret, ran second in the race for the Prix Fougeeres at Pau in France Sunday. The race was won by M. Lafargue's Corindon, with jockey Doux up. Six horses ran. Mr. Rogers' Palo Alto, with Parfrement up, finished third in the race for the Prix Palais d'Hiver. The race was won by M. Mombel's Bravissimo, ridden by Kalley. M. Brossault's Patricien, with Bourdale in the saddle, finished second. There were sixteen starters.

### LEXINGTON VALUES TO BE INCREASED.

Lexington, Ky., February 11.—Secretary G. D. Wilson, of the Kentucky Association, says that it is likely that the added money to the stakes for the spring meeting here will be increased to conform with the proposed rule of the Kentucky State Racing Commission at a meeting of the directors of the association to be held here next Saturday. The officials got together this morning to talk over this and other matters and such action was virtually decided upon. The "triple crown" proposed by Johnson N. Camden was also under discussion and it appears that this association will be in favor of the inauguration of the series of races as suggested by the master of Hartland Stud,

MEYER, showing much speed, set a fast pace to midway of the stretch and held on well in the final drive. REPUBLICAN was in a jam at the start and lost ground by turning wide into the stretch, but ran well and finished fast. T. M. GREEN ran fairly well, as also did VOLTHORPE. SIR BLAISE was in close quarters for the first half and tired in the stretch.

JERRY M. OUT OF GRAND NATIONAL.

The next day following the publication of weight's alloited the horses engaged in the Liverpeol Grand National Steeplechase it was announced that the top weight, Jerry M., had been declared out. Under the conditions of the race this had the effect of raising the weights on the other horses to the extent of fourteen pounds additional to their original imposts. Thus the American candidate Highbridge must nover carry 168 pounds instead of 154. Of the reason for the withdrawal of Jerry M, and some points in his career London Sporting Life of February 1 said:

"We are informed by Messrs. Weatherby that Jerry M. was last evening scratched out of all engagements, including the Grand National.

"The son of Walmsgate has turned 'roarer' to such an extent that a veterinary examination yesterday revealed the fact that it would be useless to go on training him for his engagements, and accordingly he will not run again in public.

"The following is a copy of the veterinary surgeon's certificate:

"I was requested by Sir Charles Assheton-Smith to examine Jerry M. with regard to his wind today. Sir Charles having been informed by Mr. Gore that the horse's infirmity had increased. I fear, has increased to consider it impossible for him to run with success again. (Signed) George H. Williams, M. R. C. V. S. January 31, 1913."

"Jerry M., a bay gelding, ten years old, by Walmsgate out of a mare by Luminary—Quinine, was bred by Mrs. Kate Hartigan, a farmer in a small way in Connty Limerick, Ireland. The latter sold him to John Widger, who, after the horse had won a few races for him in his native country, transferred him to his present owner, Sir Charles Assheton-Smith, for, as has been stated, I. Goo guineas.

"Jerry M.'s name will always be associated with his triumphs over the Liverpool Steeplechase course, as not only was he successful in every race but one in which he competed there, but by winning the Grand National of 1910, and that was one which covered him with glory, as he bore 175 pounds AWtPPSt 1/4 1/2 3/4 Str Fin Jockeys OHCPS Ind Horses
